PRESS RELEASE

GET “READY-2-GO” BEFORE YOU TAKE OFF! Foreign Prepaid SIM Cards Now Available At Changi Airport

Singapore travellers will now be able to enjoy the convenience of purchasing foreign prepaid SIM cards before they board their planes, with the availability of **Ready-2-Go** Travel Kits now at all 11 Times NewsLink retail outlets at Changi Airport.

With these additions, **Ready-2-Go** is now available at more than 100 retailers throughout Singapore, including moneychangers and all BUZZ outlets. **Ready-2-Go** can also be purchased online at www.trusling.com, with free delivery island wide.

Delivering savings of more than 85% on phone bills, **Ready-2-Go** is an alternative cost-effective solution to paying the high roaming charges of Singapore network operators. The travel kits can be purchased for eight popular destinations including Australia, China, Hong Kong, Malaysia, Philippines, Thailand, the United Kingdom and the United States of America.

Combining cost savings, connectivity and convenience into one package, each **Ready-2-Go** kit consists of a *country-specific overseas prepaid SIM card*, where users pay only the local rates at their destination with free incoming calls in many countries, and *the Link Service*, an International Call Forwarding Service, to forward Singapore calls to their overseas number.

Ready-2-Go not only eliminates high roaming charges, travellers also enjoy the convenience of an overseas mobile phone number that can be given out in advance to receive calls and SMSes, immediate connectivity on arrival, as well as staying contactable at all times, without missing calls on their Singapore number.

Distributed exclusively by Trusling Communications Pte. Ltd. the **Ready-2-Go** Travel Kits retail between S\$18.90 and S\$31.90. Travellers can top-up the credit of their *Link Service* conveniently online. The SIM cards can be topped up at convenience stores, phone shops and other e-channels across the respective countries.

This is a sample of the calling rates and the savings that travellers can enjoy.
